

DOG POLICY

We are “dog friendly” to the extent that guests bringing their pet(s) make sure that they do not infringe on the privacy of other guests or jeopardize our lodging facilities.

- **Guests must notify Wilderness Edge in advance of arrival if they plan on bringing a dog (or dogs).**
- There is a \$10 per pet, per night charge (limit 2 dogs).
- Pets are allowed to stay in the rustic cabins (*special bed covers are provided*), but they cannot be left unattended.
- Pets are also allowed in the Horn Creek cabin, but their presence is limited to the rear entry way (mud room). Again, they cannot be left unattended.
- Pets are not allowed to enter the log lodges. Guests in these facilities will need to bring a portable kennel or board the pet in a vehicle.
- All pets are to be kept on leashes while in the public areas of the resort.
- It is the responsibility of each guest to pick-up and dispose of pet waste.
- Barking dogs are not conducive to a wilderness environment.
