## **Basic Advice & Other Information**

*Food & Supplies* - Shop for groceries and supplies before you get to the resort. The closest full-service grocery and hardware stores are in West Yellowstone. However, if you are traveling through Bozeman, Idaho Falls or Jackson we suggest that you take advantage of retailers in these markets for better pricing and selection. Salt and pepper are the only food items provided in the lodges and cabins.

*Non-Smoking Facility* - All cabins and lodges at Wilderness Edge have been designated as **Non-Smoking**.

*Speed Limit* – A 7 mph speed limit goes into effect upon entering the resort, driving between cabins and lodges, and traveling the Forest Service road to Cliff Lake.

*Off-Road Motorized Vehicles (ATV's/UTV's/Dirt Bikes)* - Recreational use of ATVs, UTVs, and dirt bikes is not permitted on Wilderness Edge property. They are also not allowed on adjacent private land or Forest Service land.

*Excessive Noise* -The comfort and privacy of all our guests is important. Therefore, we request that guests refrain from loud conversation and/or party noise, especially after 10:00 pm. Amplified music is not allowed at any time.

*Campfires* - Except for the Saddlehorn Lodge, there are no individual fire rings at any other lodge or cabin. A common fire ring for all to share is located at the South end of the volleyball court. Management may restrict campfires if windy conditions dictate. In addition, local, state and/or federal fire restrictions will be enforced.

*Firearms* - Discharge of firearms, including pellet guns and Airsoft® replicas, is strictly prohibited on Wilderness Edge property, on the Forest Service road to Cliff Lake and the area surrounding the boat docks.

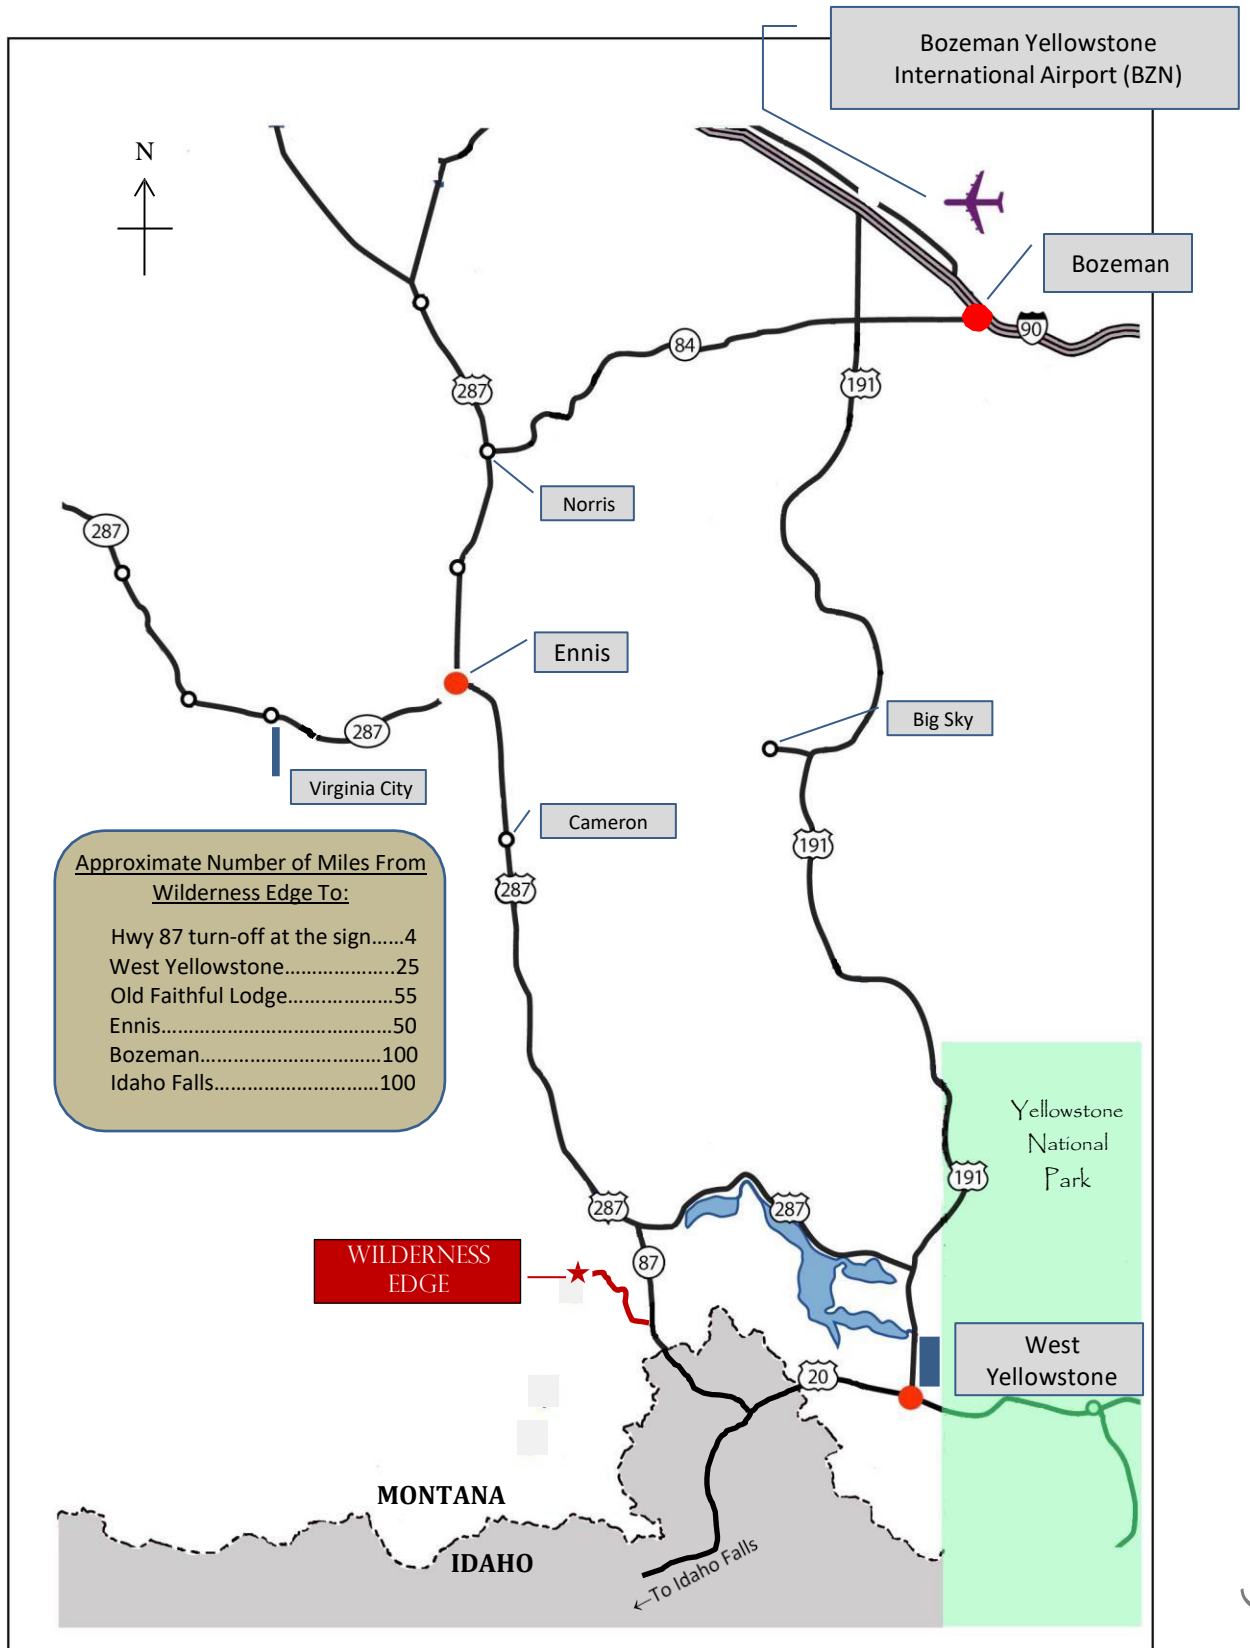

*Fishing* - A Montana resident or non-resident fishing license is required. Children under 12 may fish without a license, as long as there is a licensed adult present. Non-resident fishing licenses can be purchased on-line at the State of Montana Fish, Wildlife & Parks website (**www.fwp.state.mt.us**).

- Cliff Lake has a 5 fish limit, and anglers are encouraged to keep only what will be consumed during their stay.
- Fish, Wildlife & Parks regulations prohibit disposing of fish entrails in streams or along lake shores. However, it is legal to dispose of entrails in lakes away from the shore. Please do not clean fish in Horn Creek or in kitchen/bathhouse facilities.

*Fly Fishing Guides* - Please check the links page on our website for a list of recommended guide services, or talk to our staff if you need assistance in securing a guided trip.

*On-Premise Amenities* - Wilderness Edge has available a volleyball area, basketball ½ court, horseshoe pits and a large campfire area for evening fellowship. Also, a free “library” of various board games and puzzles can be checked out at the Main Office.
